MEETING MINUTES

PILOT TRAININGS

CAREER CONSULTANTS HAND BAG "NAVIGUIDE"

No	Participants
1	From different foundations and institutions, 25 people have participated in this program

No	Key results (Summary Of The Report) Erzincan						
1	Instructor Özlem Yurdanur Özgenç presented the Naviguide Project, its purpose, developed methods and activities done so far to the participants. After explaining why this Project is needed and the benefits the Project will bring, the instructor showed the training program and begun the applications.						
2	Ms. Özgenç started the training with the "Story cards" method. After giving information about the method they begun. After the application was finished the purpose and advantage was discussed with the participants. After receiving the thoughts of the participants Ms. Özgenç moved on to the 2nd application.						

3	Ms. Özgenç continued the program with the "Getting Started with Vocational Orientation". The method was applied with the young participants By this method it was told that it was necessary to make their personal aims clear and shape their expectations according to these aims. After that, it was proceeded to 3th method by talking about the advantages of this method and how it would be used more efficient with the guidance counsellors who follow the method, business and professional consultants.							
4	Ms. Özgenç continued the program with the " Mr President is looking for a bodyguard " method. The method was applied with the young participants. After the application Ms. Özgenç lectured about the importance of knowing that every profession has certain requirements and qualifications, and training yourself knowing these requiremants and qualifications. Afterwards it was told how important that while giving consultancy services the clients skills should match up with the qualifications of the profession, to the teachers and career consultants who watched the application. And finally the advantages of the technique were discussed and the program ended.							
	LUNCH							
5	Ms. Özgenç continued with the "My Network" method. After giving information about the method they begun. With this technique participants were made aware of the importance of communication Networks and how it effects their lives. Also it was made aware that today communication Networks play a big role in one finding a job. Finally, with this technique participants were taught how to use and control these Networks.							
6	After the applied methods have been shown, the participants are informed about the target group, purpose and the applications of other methods. Afterwards Ms.Özgenç reviewed the thoughts and opinions of the participants about Naviguide and ended the program. At end of the workshop a questionnaire was applied for evaluation of the participants
